

# 2017-2018 Admissions Application

#### Admission requirements for all students

- No barriers exist in meeting high school graduation requirements.
- No documented pattern of behavior or discipline problems.
- Junior class standing at the time of program entrance.
- Must be able to provide own transportation. No busing will be available.

## Admission requirements for full admission

- Students must have a 3.0 on a 4.0 scale secondary school cumulative GPA.
- Accuplacer or ACT scores reflect that the student is college ready.

	Accuplacer Next Generation	Accuplacer Classic	ACT
Reading	263 or above	80 or above	Reading 21
Writing	5 or above	Sentence Skills 88 or above	English 18
Math	Advanced Algebra 250 or above	College Level Math 30 or above	Math 22

- Attendance records are positive (less than 15 total days for the three previous semesters or a 95% attendance rate).
- Positive recommendation from a high school counselor, principal or teacher(s).
- A grade of "C" or better in Algebra I and Geometry, or equivalent mathematics courses.
- A grade of "C" or better in Earth Science and Biology, or equivalent science courses.

#### Admission requirements for provisional admission

- Students who have a minimum 2.75 on a 4.0 scale high school cumulative GPA will be evaluated on a case by case basis.
- Accuplacer or ACT scores reflect that the student is college ready. If above scores are not met please contact Darcy Carns 419.755.5693 <u>dcarns@ncstatecollege.edu</u> to review scores for provisional admission.
- Attendance records are positive or can be explained by counselor as being "situational" or beyond the student's control.
- Recommendation of high school counselor, principal, or teacher(s) that provides insight/reasoning as to why academic performance did not meet program admissions standards.
- A grade of "C" or better in Algebra I and Geometry, or equivalent mathematics courses.
- A grade of "C" or better in Earth Science and Biology, or equivalent science courses.
- Provisional students must agree to actively participate and show potential in an academic enhancement program. Weekly tutoring will be required.
- Academic deficiencies are the responsibility of the student and must be completed prior to start of the 2<sup>nd</sup> year of the program. This would include courses such as: Health, Phys. Ed, and requirements unique to the student's residency associate school. Financial responsibility for correction of deficiencies rest with the student or student's parents.

## Special Considerations

• Non-traditionally educated students from an accredited (home school, charter school, ECOT, etc.) program/institution will be evaluated on a case by case basis. Transcripts for these students will be evaluated by their residency associate school to determine eligibility for College-NOW minimum entry requirements.
